

OSEP: 618 DATA TABLES - Child Count, Exit Report & Dispute Resolution

CHILD COUNT AND SETTINGS: Sections A, B, and C is a report of Children Receiving Early Intervention Services in Accordance with Part C, also known as Child Count, as of November 1, 2021. This data reflects the number of infants and toddlers with disabilities, age birth through 2, according to the child’s gender and the setting they received the early intervention services, who received early intervention services as of November 1, 2021. These children received early intervention services regardless of whether federal IDEA Part C funds or other funds were used to provide these services.

DISPUTE RESOLUTION: This survey has been developed to collect data under Section 618 of IDEA, Part C of the Individuals with Disabilities Education Act (IDEA). This information is entered by the IDEA Part C Data Managers. The survey provides information on the following and is organized to provide the counts for the number of occurrences in the following sections:

- **Written, signed complaints** which are defined as a signed, written document submitted to a lead agency by an individual or organization (complainant) that alleges a violation of a requirement of Part C of IDEA of 34 CFR Part 303, including cases in which some required content is absent from the document.
- **Mediation requests** which are defined as a request by a party to a dispute involving any matter under Part C of IDEA for the parties to meet with a qualified and impartial mediator to resolve the dispute(s).
- **Due process complaints** which are defined as a filing by a parent or early intervention service provider or lead agency to initiate an impartial due process hearing on matters relating to the identification, evaluation, or placement of an infant or toddler with a disability (IDEA), or to the provision of appropriate early intervention services to the child.
